VANTA TRADING CHALLENGE
TERMS OF SERVICE

Effective Date: September 16, 2026

KEY TERMS SUMMARY

This summary is provided for convenience only and does not replace the full Agreement below. In the event of any conflict between this summary and the full Agreement, the full Agreement controls.

What Vanta Trading Challenge Offers:

Vanta Trading Challenge is an evaluation program that allows you to participate in simulated trading activities on a decentralized network called Subnet 8. You trade using simulated assets—not real money or cryptocurrency—so you never risk your own capital. The Challenge evaluates your trading ability; it does not involve providing services for compensation.

How It Works:

1. **You Pay a Challenge Entry Fee**: This fee (processed by Stripe) is charged per Challenge purchase/attempt and gives you access to the Challenge and enables setup and participation through the applicable Challenge Account. The fee is only refundable before your registration is approved and your Challenge Account opened; after that the fee is non-refundable, except as provided in Sections 19 and 23 or required by Applicable Law or payment-network rules.
2. **You Are a Participant, Not a Contractor or Employee:** During the Challenge, you are a participant in an evaluation program. You do not provide services to Vanta and you do not receive any compensation, payouts, profit splits, or other economic benefits.
3. **You Trade with Simulated Assets:** All trading uses simulated assets with no real-world value. You never deposit or risk your own money.
4. **Your Performance Is Evaluated:** Your Challenge trading activity is measured against the criteria published in the Challenge Rules. If you meet the requirements and do not violate any rules, you may Pass.
5. **Passing Does Not Guarantee an ICA Invitation:** Passing the Challenge is a necessary but not sufficient condition for being invited to Vanta's Network Trader Program. Invitation is at Vanta's sole discretion and requires you to execute a separate Independent Contractor Agreement ("ICA") and complete any required KYC/onboarding. Subject to express ICA commitments under Section 9.8.
6. **You May Create Multiple Challenge Accounts**: Multiple attempts and accounts are permitted within published limits and must use one Participant Profile and current email, subject to Section 10.3(a). Program eligibility and allocations are governed by the ICA and Program Rules, subject to Section 9.8.
7. **No Compensation During the Challenge:** There are no payouts, profit splits, bonuses, prizes, or any form of compensation during the Challenge. This is strictly an evaluation.

Important Points to Understand:

- You are not an employee, independent contractor, or agent of Vanta during the Challenge
- No compensation or payouts of any kind during the Challenge stage
- The Challenge uses simulated assets and results are hypothetical
- The Challenge Entry Fee is not a capital contribution or investment
- Passing is subject to validation; invitation to the Network Trader Program is discretionary and requires a separate ICA. Subject to express ICA commitments under Section 9.8.
- Disputes are resolved through binding arbitration, not courts

- Vanta operates the Platform but does not control the decentralized Network (Subnet 8)
- You may cancel for a full refund until both your Challenge registration has been approved and your Challenge Account has been opened or activated; later refund rights under Sections 19 and 23, Applicable Law and payment-network rules are preserved.
- Any descriptions of post-Challenge program economics (payouts, profit splits, scaling, bonuses) on Vanta's website or marketing materials are informational only and are not part of this Agreement. Subject to express ICA commitments under Section 9.8.

IMPORTANT LEGAL NOTICES

PLEASE READ THESE NOTICES CAREFULLY BEFORE USING THE PLATFORM:

- **BINDING ARBITRATION AND CLASS ACTION WAIVER** (Section 20): Disputes are resolved through individual arbitration, not court litigation or class actions.
- **LIMITATION OF LIABILITY** (Section 16): Vanta's liability is capped and certain damages are excluded.
- **INDEMNIFICATION** (Section 17): You agree to indemnify Vanta for certain claims.
- **NO COMPENSATION DURING CHALLENGE** (Sections 8, 9): There are no payouts, prizes, profit splits, or compensation of any kind during the Challenge.
- **NO GUARANTEED PROGRAM INVITATION (Section 9)**: Passing the Challenge does not guarantee an invitation to the Network Trader Program. Subject to express ICA commitments under Section 9.8.
- **THIS IS NOT AN INVESTMENT** (Sections 7, 22): You are paying for access to an evaluation product, not making an investment.

ACKNOWLEDGMENT AND ACCEPTANCE

BY CLICKING "CONFIRM PAYMENT AND BEGIN EVALUATION," REGISTERING AN ACCOUNT, PAYING THE CHALLENGE ENTRY FEE, OR USING THE SERVICE, YOU ACKNOWLEDGE AND AGREE THAT:

1. You have read, understood, and agree to be legally bound by this entire Agreement, including the arbitration agreement, class action waiver, jury trial waiver, limitations of liability, and indemnification obligations;
2. You meet all eligibility requirements and are not located in a Prohibited Jurisdiction;
3. During the Challenge, you are a participant in an evaluation program—not an employee, independent contractor, or agent of Vanta—and you are not entitled to employment benefits or any form of compensation;
4. There are no payouts, profit splits, bonuses, prizes, or compensation of any kind during the Challenge;
5. The Challenge uses simulated assets and all results are hypothetical and not indicative of real trading performance;
6. You do not deposit, stake, or risk your own capital in Challenge Trading Activities;
7. This is not an investment and the Challenge Entry Fee is not a capital contribution;
8. The Challenge Entry Fee is non-refundable after your Challenge Account is approved and opened, except as provided in Sections 19 and 23 or required by Applicable Law or payment-network rules;
9. Passing the Challenge does not guarantee an invitation to the Network Trader Program; invitation is at Vanta's sole discretion and requires a separate ICA and completion of any required onboarding. Subject to express ICA commitments under Section 9.8.
10. You may maintain multiple Challenge Accounts within published limits, using one Participant Profile and current email under Section 10.3(a). Program eligibility and allocations are governed by the ICA and Program Rules, subject to Section 9.8;
11. You have reviewed and agree to the Challenge Rules and Offer Terms, each of which is incorporated into this Agreement by reference;
12. Any descriptions of post-Challenge program terms (including payouts, profit splits, scaling, bonuses, or timelines) appearing on Vanta's website, marketing materials, FAQs, dashboards, emails, or social media are informational only, are not part of this Agreement, and create no binding obligation; subject to express ICA commitments under Section 9.8.
13. You have read and accept the risk disclosures in Section 14;
14. Disputes are resolved by binding arbitration, not courts, and you waive class action and jury trial rights;
15. Vanta operates the Platform but does not control the Network; and
16. You have had the opportunity to seek independent legal, financial, and tax advice.
17. For EU and UK persons: please see Section 23 for how to cancel.

For EU and UK persons: I expressly request Vanta to start providing the Challenge immediately, before the end of the 14-day withdrawal period. I acknowledge that this may cause me to lose my statutory right to withdraw once performance begins (for digital content), and that for services I lose the right to withdraw once the services are fully performed; if I withdraw after performance begins, I may be required to pay a proportionate amount for what has been provided.

I expressly request immediate access to the Challenge during any applicable statutory withdrawal period. I acknowledge that, for digital content not supplied on a tangible medium, my withdrawal right may be lost when supply begins if the applicable legal conditions are met. For services, I may be required to pay a proportionate amount if I

withdraw after requesting early performance, and my withdrawal right is lost only when the services are fully performed, to the extent permitted by Applicable Law. Section 23 applies to EU/UK consumers.

VANTA TRADING CHALLENGE

TERMS OF SERVICE

These Terms of Service (this "**Agreement**") constitute a legally binding agreement between you ("**Participant**," "**you**," or "**your**") and Taoshi VT Services, a Cayman Islands exempted company with limited liability ("**Vanta**"), governing your access to and use of the Vanta Trading Challenge platform and your participation in the Challenge (collectively, the "**Service**"). By accessing or using the Service, registering an account, clicking "I Accept," or otherwise indicating your acceptance, you acknowledge that you have read, understood, and agree to be bound by this Agreement in its entirety, and you represent and warrant that you have the legal capacity and authority to enter into this Agreement.

IF YOU DO NOT AGREE TO ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, YOU MUST NOT ACCESS OR USE THE SERVICE.

PLEASE NOTE: THERE IS A BINDING ARBITRATION AND CLASS ACTION WAIVER IN SECTION 20.

1. **Definitions**. For purposes of this Agreement, the following terms shall have the meanings set forth below:

1.1. "**Affiliate**" means, with respect to any entity, any other entity that directly or indirectly controls, is controlled by, or is under common control with such entity.

1.2. "**Aggregate Exposure**" means the combined level of participation, positions, orders, notional, risk limits, simulated capital allocation, and/or other exposure measures (as determined by Vanta) across one or more accounts, including across Related Accounts.

1.3. "**Applicable Law**" means all applicable statutes, laws, regulations, ordinances, rules, judgments, orders, decrees, permits, and other requirements of any Governmental Authority.

1.4. "**Asset Class**" means a category of financial instruments available for Challenge Trading Activities, such as forex or cryptocurrency, as specified in the Challenge Rules.

1.5. "**Challenge**" means the paid evaluation program operated by Vanta through the Platform in which Participants engage in simulated Challenge Trading Activities to demonstrate trading ability, subject to the performance criteria and rules set forth in the Challenge Rules.

1.6. "**Challenge Account**" means the account established for a Participant on the Platform and the Network for purposes of participating in the Challenge.

1.7. "**Challenge Data**" means all data, records, and outputs generated through use of the Service, including orders, positions, timestamps, logs, metrics, rankings, telemetry, and all other information generated by or in connection with Challenge Trading Activities.

1.8. "**Challenge Entry Fee**" means the fee paid by Participants to Vanta for access to and registration for Vanta's Challenge, as displayed at the time of purchase.

1.9. "**Challenge Rules**" means the rules, parameters, performance criteria, profit targets, drawdown limits, leverage limits, tier specifications, asset class restrictions, restricted instruments or trading behaviors, inactivity definitions, integrity checks, and other requirements applicable to the Challenge, as published by Vanta at the URL designated on the Platform and incorporated herein by reference, as may be updated from time to time in accordance with Section 19. Each version of the Challenge Rules shall display a version number or "Last Updated" timestamp.

1.10. "**Challenge Trading Activities**" means the simulated trading activities conducted by Participants on the Network using Simulated Assets as part of the Challenge.

1.11. "**Confidential Information**" means any non-public information disclosed by Vanta, including business strategies, algorithms, technical specifications, participant data, and any information designated as confidential.

1.12. "**Derived Data**" means aggregated, anonymized, or otherwise derived analyses, insights, datasets, or learnings generated from Challenge Data.

1.13. "**Fail**" means a determination by Vanta that a Participant has not met the Challenge criteria or has violated the Challenge Rules or this Agreement, resulting in termination of the applicable Challenge attempt.

1.14. "**Governmental Authority**" means any federal, state, local, or foreign government, or political subdivision thereof, or any governmental, regulatory, or administrative authority, agency, or court.

1.15. "**High-Water Mark**" means, with respect to a Challenge Account, the highest net asset value (or equivalent metric) achieved by such account at any point during the Challenge, as calculated by Vanta in accordance with the Challenge Rules.

1.16. "**ICA**" or **"Independent Contractor Agreement**" means the separate agreement between Vanta and a participant in the Network Trader Program governing the post-Challenge independent contractor relationship (including any performance-based compensation), which is not part of or governed by this Agreement.

1.17. "**Indemnified Parties**" means Vanta, its Affiliates, and their respective directors, officers, employees, agents, advisors, consultants, licensors, service providers, contractors, successors, and assigns.

1.18. "**Intellectual Property Rights**" means all intellectual property rights worldwide, including patents, copyrights, trademarks, service marks, trade names, trade dress, trade secrets, know-how, moral rights, rights of publicity, and all other proprietary rights.

1.19. "**KYC**" means "Know Your Customer" verification procedures, including identity verification, anti-money laundering screening, and sanctions screening.

1.20. "**Losses**" means any and all claims, demands, actions, causes of action, liabilities, damages, losses, costs, expenses, fines, penalties, judgments, settlements, and fees (including reasonable attorneys' fees and costs of investigation, litigation, and appeal).

1.21. "**Market Data**" means any price, quote, order book, index, benchmark, reference rate, timestamp, or other market or pricing information displayed, used, or relied upon by the Platform, the Network, Validators, or any third-party provider in connection with Challenge Trading Activities (including simulated prices and synthetic or derived pricing).

1.22. "**Material Nonpublic Information**" or "**MNPI**" means information that (a) is not generally available to the public and (b) a reasonable person would consider important in making an investment or trading decision, or that would likely affect the price of a security, digital asset, or other financial instrument if made public.

1.23. "**Max Drawdown**" means the maximum permitted decline in a Challenge Account's net asset value (or equivalent metric) from its High-Water Mark, as specified in the Challenge Rules. Max Drawdown is measured from the High-Water Mark, not from initial account value, unless the Challenge Rules expressly provide otherwise.

1.24. "**Network**" or "**Subnet 8**" means the decentralized Vanta Network operated by independent Validators, on which Challenge Trading Activities are conducted. The Network is separate from and not controlled by Vanta.

1.25. "**Network Emissions**" means any digital tokens, cryptocurrency, or other digital assets (including any "alpha tokens") emitted, distributed, or allocated by the Network in connection with Challenge Trading Activities or other simulated trading activities conducted on the Network through the Service, regardless of their designation or classification.

1.26. "**Network Trader Program**" means Vanta's separate post-Challenge program governed entirely by a separate Independent Contractor Agreement and not by this Agreement, under which selected individuals may engage in simulated trading activities on the Network using Simulated Assets and may be eligible to receive performance-based compensation based on simulated performance, as set forth in the ICA. The Network Trader Program does not involve trading real assets or providing "funded" accounts.

1.27. "**Non-Replicable**" means not reasonably achievable under ordinary market conditions or through good-faith participation in the Challenge as intended, including where results depend materially on Technical Artifacts, anomalies, or conditions not generally available in ordinary market trading.

1.28. "**Offer Terms**" means the tier-specific pricing, simulated capital allocation, asset class, and other offer details displayed when a Participant purchases entry to a Challenge, which are incorporated herein by reference. Offer Terms describe the commercial terms of the Challenge purchase and any potential eligibility features, but do not grant any entitlement to post-Challenge program participation or allocation.

1.29. "**Pass**" means a determination by Vanta that a Participant has met all applicable Challenge criteria as set forth in the Challenge Rules without any disqualifying violations, subject to verification and validation by Vanta.

1.30. "**Payment Processor**" means Stripe, Inc. and its affiliates, which process Challenge Entry Fee payments for the Service.

1.31. "**Platform**" or "**Vanta Trading UI**" means the user interface, application, website, APIs, and related systems operated by Vanta that enable Participants to register for and participate in Vanta's Challenge.

1.32. "**Platform Content**" means all content, materials, data, information, text, graphics, images, logos, trademarks, software, code, and other materials available on or through the Platform.

1.33. "**Prohibited Jurisdiction**" means any jurisdiction subject to comprehensive sanctions imposed by the United States (including OFAC), United Kingdom, European Union, or United Nations, or where the Service is prohibited by Applicable Law.

1.34. "**Related Account**" means any account that Vanta reasonably determines, on documented evidence, is directly or indirectly under common ownership or control with another account, operated by or for the same person or entity, shares trading decision-making authority, or is coordinated with another account in the activity at issue, including through common ownership, common device or network identifiers, common payment method, common KYC identity, shared infrastructure, shared decision-making, shared access credentials, or other indicia of common control or coordination. A common provider, software, infrastructure, Market Data or Strategy Correlation alone does not establish relatedness. Third-party copying may be established separately under Section 10.2(a).

1.35. "**Sanctions List**" means any list of designated or blocked persons maintained by any Governmental Authority, including the OFAC SDN List, UK Consolidated List, EU Consolidated List, and UN Security Council Consolidated List.

1.36. "**Simulated Assets**" means the simulated, non-real digital assets used within Challenge Trading Activities on the Network, which have no real-world monetary value and exist solely for simulation purposes.

1.37. "**Strategy Correlation**" means the degree to which Challenge Trading Activities, signals, positions, execution patterns, timing, instrument selection, or other behavioral characteristics are materially similar across accounts or over time, as determined by Vanta (including through automated analysis).

1.38. "**Technical Artifacts**" means latency effects, timing advantages, data-feed discrepancies, platform/system behavior, execution anomalies, glitches, interruptions, errors, or other technical conditions (whether on the Platform, the Network, or any integrated service) that may influence displayed prices, fills, timestamps, rankings, metrics, or measured performance.

1.39. "**Technical Error**" means any latency, outage, delay, interruption, degradation, bug, glitch, feed disruption, data corruption, out-of-sequence event, mismatch, or other technical or operational anomaly affecting the Platform, the Network, Validators, Market Data, order handling, simulation logic, metrics, rankings, or the calculation of any results.

1.40. "**Tier**" means a specific Challenge tier with defined parameters (such as simulated capital allocation, entry fee, and performance targets) as described in the Challenge Rules and Offer Terms.

1.41. "**Ultimate Beneficial Owner**" or "**UBO**" means the natural person(s) who ultimately owns or controls a Participant or who otherwise exercises ultimate effective control over a Participant's participation in the Service.

1.42. "**User Content**" means any content, data, or materials submitted, posted, or transmitted by Participants through the Platform.

1.43. "**User IP**" means any models, strategies, algorithms, signals, code, tools, libraries, parameters, methods, and know-how that you develop or own independently of the Service, including anything you develop while using the Service that does not incorporate or derive from Vanta's Platform, Platform Content, or Confidential Information.

1.44. "**Validated Results**" means Challenge Trading Activities, performance metrics, rankings, and Pass/Fail determinations as finally determined by Vanta after any review, adjustment, exclusion, or invalidation permitted under this Agreement.

1.45. "**Validators**" means the independent operators that maintain and validate transactions on the Network.

2. Service Description

2.1. Overview. Vanta Trading Challenge provides an evaluation platform that enables you to participate in simulated trading activities on Subnet 8, a decentralized network. The Challenge is an evaluation program designed to assess your trading ability using Simulated Assets. You pay a Challenge Entry Fee for access, participate in Challenge Trading Activities, and your performance is measured against the criteria published in the Challenge Rules. You never deposit, stake, or risk your own capital. The Challenge does not involve performing services for Vanta and you do not receive any compensation during the Challenge.

2.2. What Vanta Provides. Through the Platform, Vanta:

(a) Provides the user interface for registration and participation in Challenge Trading Activities;

(b) Processes Challenge Entry Fees through the Payment Processor;

(c) Facilitates registration and setup of your Challenge Account;

(d) Evaluates your Challenge Trading Activities against the criteria set forth in the Challenge Rules;

(e) Determines Pass/Fail outcomes and validates results; and

(f) Provides support and maintains the Platform.

2.3. The Platform vs. The Network. It is important to understand the distinction between the Platform and the Network. The Platform (Vanta Trading UI) is a centralized service operated by Vanta. The Network (Subnet 8) is a separate, decentralized system operated by independent Validators over which Vanta has no control, ownership, or operational authority as a whole. While Vanta facilitates your participation on the Network and has a business relationship with the Network ecosystem, Vanta participates as an entity miner, and neither that role nor any Affiliate's Network role gives Vanta control of the Network as a whole. Issues arising from the Network itself are outside Vanta's control and responsibility, without altering Vanta's express obligations under this Agreement.

2.4. No Fiduciary Relationship. This Agreement does not create a fiduciary relationship. Vanta does not owe fiduciary duties to Participants beyond the obligations expressly stated in this Agreement.

2.5. Challenge Program Structure.

(a) **Stage 1 – Challenge**: You pay a Challenge Entry Fee and participate in an evaluation program using Simulated Assets. There is no compensation, payouts, profit splits, or economic benefit of any kind during Stage 1. Your performance is evaluated on a Pass/Fail basis against the Challenge Rules.

(b) **Stage 2 – Network Trader Program (Separate Agreement)**: Participants who Pass the Challenge may, at Vanta's sole discretion, subject to Section 9.8, be invited to join the Network Trader Program. The Network Trader Program is governed entirely by a separate ICA and its incorporated program rules ("Program Rules") and is not part of this Agreement. In the Network Trader Program, participants continue to trade only simulated assets on the Network (Program Accounts represent simulated buying power, not live trading accounts or capital deposited with Participants). Vanta may receive Network Emissions (including "alpha tokens") generated in connection with such simulated trading activity. Network Emissions remain Vanta's property before settlement; internal attribution or transfers between Vanta-controlled addresses do not pay Participants or transfer ownership. If you execute an ICA, you may be eligible to receive performance-based compensation calculated by reference to your validated simulated performance (e.g., a percentage of simulated profits), as set forth in the ICA. The ICA permits settlement of USD-denominated compensation in USD or, at the Participant's election, equivalent alpha or USDC. Invitation requires execution of the ICA and completion of any required KYC verification, payment onboarding, and other onboarding steps. Passing the Challenge does not guarantee an invitation, subject to Section 9.8. Program Accounts, allocations, Pro transitions and re-entry are governed by the ICA and Program Rules. A Pro assessment under the ICA is distinct from the initial Challenge and may carry compensation.

3. Eligibility and Registration

3.1. Eligibility Requirements. To use the Service, you represent and warrant that you:

(a) Are at least eighteen (18) years of age or the age of legal majority in your jurisdiction, whichever is greater;

(b) Have the legal capacity to enter into this Agreement;

(c) Are not located in, a citizen of, or resident of any Prohibited Jurisdiction;

(d) Are not identified on any Sanctions List;

(e) Are not acting on behalf of any person or entity on a Sanctions List or located in a Prohibited Jurisdiction;

(f) Are not prohibited from using the Service under Applicable Law;

(g) Are not currently excluded for fraud, identity misuse, prohibited conduct or another stated eligibility restriction. Ordinary performance failure, drawdown breach or resulting closure alone does not bar another Challenge or permitted ICA re-entry;

(h) Will provide accurate and complete information during registration and maintain its accuracy.

3.2. KYC Verification. Vanta may require identity verification at any time for compliance, anti-fraud, or account-limit purposes. You agree to provide accurate information, cooperate with verification requests, and update information as needed. Vanta may refuse registration, or suspend or terminate accounts, if verification cannot be completed satisfactorily, if information is inaccurate, or if continued service would violate Applicable Law. Full KYC verification, payment onboarding (including Stripe Connect), and additional compliance procedures may be required only if you are invited to the Network Trader Program. All Challenge Accounts and email changes are subject to Section 10.3(a).

3.3. Account Security. You are solely responsible for maintaining the confidentiality and security of your account credentials, including passwords and two-factor authentication. You must use strong, unique passwords and immediately notify Vanta of any unauthorized access. You are responsible for all activities under your account, and Vanta is not liable for Losses arising from unauthorized account access.

4. **Participant Representations and Warranties**. By using the Service, you represent, warrant, and covenant that:

(a) All information you provide is accurate, complete, current, and not misleading;

(b) You are using the Service for your own account and not on behalf of any undisclosed third party;

(c) Your use of the Service does not violate any Applicable Law, Sanctions, or third-party rights;

(d) You have sufficient knowledge and experience to understand the Service and the risks described herein;

(e) You are not relying on any statement or representation by Vanta other than those in this Agreement;

(f) You understand that the Challenge is an evaluation program with no compensation, payouts, or prizes;

(g) You understand that passing the Challenge does not guarantee an invitation to the Network Trader Program. Subject to express ICA commitments under Section 9.8.

(h) The funds used to pay the Challenge Entry Fee are from legitimate sources and are not proceeds of illegal activity;

(i) You have not been convicted of any financial crime, fraud, or money laundering offense;

(j) You are not a politically exposed person ("**PEP**") or, if you are, you have disclosed such status to Vanta; and

(k) You will not use the Service or participate in Challenge Trading Activities related to any MNPI while in possession of MNPI, and you will not use the Service to trade on, exploit, test, disclose, or otherwise benefit from MNPI.

5. **Fees and Payment Processing**

5.1. Challenge Entry Fee. To access the Challenge, you must pay the Challenge Entry Fee displayed at the time of purchase. Different Tiers and Asset Classes may be offered at different price points as shown in the Offer Terms. This fee covers your access to the Challenge and the costs associated with setting up your Challenge Account,

not separate Network registration or emissions ownership. Vanta reserves the right to modify the Challenge Entry Fee upon notice; any changes apply only to future purchases. Each Challenge purchase/attempt (including each additional Challenge Account or additional attempt) requires payment of a separate Challenge Entry Fee. Vanta may use fees in its operations, including token purchases.

5.2. Payment Processor for Fees. All Challenge Entry Fees are processed by Stripe, Inc. (the "**Payment Processor**"). By making a payment, you agree to be bound by Stripe's terms of service, acceptable use policy, and privacy policy, which are incorporated herein by reference. You represent that you are authorized to use the payment method provided and that all payment information is accurate. Vanta is not responsible for any errors, delays, declines, fraud, or other issues arising from the Payment Processor's services or your payment method. Checkout and the payment receipt must identify the collecting entity and its role. Payment collection does not make that entity a guarantor of Program compensation.

5.3. Cancellation Period. You may cancel your registration for a Challenge purchase/attempt and receive a full refund of the applicable Challenge Entry Fee, before both your Challenge registration has been approved and your Challenge Account opened or activated. To request cancellation, contact Vanta at the email address provided below. Once both your Challenge registration has been approved and your Challenge Account opened or activated (which Vanta will confirm via email), the applicable Challenge Entry Fee becomes non-refundable, except as provided in Sections 19 and 23 or required by Applicable Law or payment-network rules. Registration means Challenge registration, not a separate Network miner registration.

5.4. EU/UK Consumer Withdrawal Rights. If you are a consumer located in the United Kingdom or European Union, you may have a statutory right to withdraw from this Agreement within fourteen (14) days of purchase under applicable consumer protection laws. Section 23 governs EU/UK consumers' statutory withdrawal rights, early-performance requests and any resulting charges. Account opening or activation alone does not eliminate a continuing statutory withdrawal or refund right.

5.5. Non-Refundable After Activation. After your Challenge registration has been processed and the cancellation period in Section 5.3 ended, the Challenge Entry Fee is generally non-refundable, including: your decision not to participate, performance outcomes, failing the Challenge, not receiving an invitation to the Network Trader Program, valid account suspension or termination, changes to the Service or Network, regulatory changes, Force Majeure Events, or any other reason, except as provided in Sections 19 and 23 or required by Applicable Law or applicable payment-network rules. No provision waives a permitted good-faith payment dispute, withdrawal or refund right. Abusive or fraudulent payment disputes are governed by Section 5.6.

5.6. Chargebacks and Payment Disputes. A good-faith exercise of a payment-dispute, withdrawal or refund right under this Agreement, Applicable Law or applicable payment-network rules is not, by itself, grounds for suspension, termination or indemnity. Vanta may investigate and respond to a dispute and take protective action supported by a separate security, fraud or account-integrity basis. For an established fraudulent or bad-faith chargeback, Vanta may pursue directly attributable, reasonable costs to the extent lawfully recoverable, subject to applicable payment-network rules and Section 17. Vanta may report suspected fraud to appropriate authorities.

5.7. Taxes on Fees. The Challenge Entry Fee does not include any applicable taxes. You are responsible for all taxes, duties, and governmental charges imposed on the Challenge Entry Fee by any jurisdiction.

6. Relationship of the Parties; No Employment or Contractor Relationship

6.1. Participant Status. During the Challenge, you are a participant in an evaluation program. You are not an employee, independent contractor, partner, joint venturer, member, shareholder, or agent of Vanta. You do not provide services to Vanta during the Challenge. Nothing in this Agreement creates any employment, contractor, or agency relationship during the Challenge stage.

6.2. No Compensation or Benefits. As a Challenge Participant, you are not entitled to any compensation, wages, salary, bonuses, profit splits, prizes, payouts, commissions, or any other form of economic benefit from Vanta during the Challenge. You are not entitled to any employment benefits whatsoever, including health insurance, retirement benefits, paid time off, workers' compensation, unemployment insurance, or severance pay.

6.3. No Authority to Bind. You have no authority to bind Vanta to any contract, obligation, or liability, or to make any representation or warranty on behalf of Vanta. You shall not hold yourself out as having any such authority or as being an employee or agent of Vanta.

6.4. Your Independence. As a Challenge Participant:

(a) You have sole control over when, where, and how you participate in Challenge Trading Activities;

(b) Vanta does not provide training, supervision, or direction on trading strategies or methods;

(c) You provide your own equipment, software, and internet access; and

(d) There are no minimum hours, quotas, or participation requirements (subject to any inactivity rules in the Challenge Rules).

7. No Capital at Risk

7.1. Simulated Assets Only. All Challenge Trading Activities and the Network Trader Program use Simulated Assets that have no real-world monetary value. Simulated Assets cannot be redeemed, withdrawn, transferred, or exchanged for any currency, cryptocurrency, or other asset. You never deposit, stake, or risk your own money, cryptocurrency, or assets. The only payment you make is the Challenge Entry Fee for access to the Challenge.

7.2. Not an Investment. Your participation in the Challenge or the Network Trader Program is not an investment of any kind. The Challenge Entry Fee is payment for access to an evaluation product, not a capital contribution, security, deposit, or investment. You do not acquire any equity, ownership interest, profit-sharing interest, or investment stake in Vanta, the Network, or any other entity.

8. Network Emissions; No Rights to Digital Assets

8.1. Ownership of Network Emissions. When Challenge Trading Activities or Network Trader Program activities are conducted on the Network, the Network may emit digital assets (Network Emissions). To the extent any Network Emissions are allocated to Vanta in connection with Challenge Trading Activities or Network Trader Program activities, such Network Emissions are the sole and exclusive property of Vanta. Participation, performance and internal attribution do not give Participants any right, title, interest, or proprietary claim to Network Emissions, regardless of their designation, value, or any Participant's contribution to generating them. This does not limit ICA compensation claims or ownership of assets delivered in settlement under the ICA.

8.2. No Claims to Network Emissions. Subject to Applicable Law and Section 8.1, you acknowledge and irrevocably agree that you have no ownership interest, beneficial interest, equitable interest, proprietary claim, demand, or right in or to any Network Emissions based solely on contributions to Challenge or Program activity, including emissions internally attributed to you. You waive any such proprietary claim based on unjust enrichment, quantum meruit, constructive trust, resulting trust, joint venture, partnership, employment, contribution, conversion, or any other legal or equitable theory. This waiver does not limit contractual ICA compensation claims or ownership of assets delivered in settlement under the ICA.

9. Challenge Evaluation; Pass/Fail; No Compensation

9.1. Evaluation Criteria. Your Challenge Trading Activities will be evaluated against the performance criteria, rules, and requirements set forth in the Challenge Rules. The Challenge Rules specify, among other things, profit targets, Max Drawdown limits, leverage limits, Tier parameters, Asset Class restrictions, restricted instruments or trading behaviors, and any integrity checks applicable to your Challenge.

9.2. Pass/Fail Determination. A Pass requires meeting all applicable criteria set forth in the Challenge Rules without any disqualifying violations of this Agreement or the Challenge Rules. Vanta will evaluate and validate Challenge Trading Activities and make Pass/Fail determinations. Vanta may disqualify results for prohibited behavior, Technical Artifacts, or any other grounds set forth in this Agreement or the Challenge Rules.

9.3. No Compensation During Challenge. THERE ARE NO PAYOUTS, PROFIT SPLITS, BONUSES, PRIZES, COMPENSATION, OR ANY OTHER FORM OF ECONOMIC BENEFIT DURING THE CHALLENGE. THE CHALLENGE IS SOLELY AN EVALUATION. YOUR SOLE POTENTIAL BENEFIT FROM PASSING THE CHALLENGE IS THE POSSIBILITY (BUT NOT GUARANTEE) OF BEING INVITED TO THE NETWORK TRADER PROGRAM UNDER A SEPARATE ICA. Subject to express ICA commitments under Section 9.8.

9.4. Invitation to Network Trader Program Is Discretionary. Passing the Challenge is a necessary but not sufficient condition for an invitation to the Network Trader Program. Vanta retains sole and absolute discretion to determine whether to extend an invitation. Factors Vanta may consider include, without limitation, compliance history, KYC status, account limits, aggregate exposure, regulatory considerations, and business judgment. Invitation is conditional on: (a) executing a separate ICA; (b) completing any required KYC verification and Stripe Connect onboarding (if applicable); and (c) ongoing compliance with all applicable requirements. Vanta makes no promises, representations, or warranties regarding the likelihood of receiving an invitation. Express ICA re-entry commitments control under Section 9.8.

9.5. Results Validation; Adjustment or Invalidation; Finality.

(a) *Validation and Discretion.* In addition to any enforcement rights in Section 10 and any termination rights in Section 18, Vanta may, in its sole discretion, review Challenge Trading Activities and may adjust, exclude, disregard, re-rank, disqualify, or invalidate any Challenge Trading Activities, performance metrics, rankings, and/or Pass/Fail determinations (in whole or in part) where Vanta determines that the applicable results are: (i) Non-Replicable; (ii) materially influenced by Technical Artifacts or other anomalies; (iii) inconsistent with the intended purpose, spirit, or integrity of the Challenge; and/or (iv) associated with, resulting from, or connected to any actual or suspected violation of Section 10, whether or not Vanta believes fraud occurred. Any final action based on a rule violation is subject to the evidentiary and scope requirements in Section 10; suspicion or Strategy Correlation alone is not conclusive proof of a violation.

(b) *Condition to Pass.* A Pass determination (if any) is made only based on Validated Results. Vanta may withhold, delay, or deny a Pass determination pending review and validation under this Section 9.5.

(c) *Final and Binding Determination.* To the maximum extent permitted by Applicable Law, Vanta's determinations regarding Validated Results under this Section 9.5 are final and binding.

9.6. No Vested Rights; No Reliance. Subject to the prospective-application and fairness guardrails in Section 19.3, you acknowledge and agree that you have no vested right or entitlement to any particular Challenge Rules, evaluation criteria, performance metrics, ranking, or Pass/Fail methodology, and that none of the foregoing creates any expectation, reliance interest, or obligation for Vanta to maintain any particular rules, objectives, criteria, thresholds, or methodology. You will not rely on the continuation of any Challenge Rules or methodology in deciding whether or how to participate, and you agree that changes may affect your results and eligibility (including that you may not Pass).

9.7. Multiple Attempts; Limited Recognition.

(a) *Multiple Attempts Permitted*. A Participant may purchase and participate in multiple Challenge attempts, whether sequentially or concurrently. A Participant may also create and maintain as many Challenge Accounts as they want (subject to any limits on concurrent active Challenges described in the Challenge Rules or Offer Terms). All such accounts must use one Participant Profile and current email under Section 10.3(a). Changes affecting purchased attempts are subject to Section 19.

(b) *Recognition for Program Eligibility*. Pass recognition, Program admission and additional accounts or allocations are subject to the ICA and Program Rules, including their eligibility and aggregate limits. Passing creates no guarantee except as expressly committed under an executed ICA. No separate one-Challenge-Account-per-Asset-Class recognition limit applies under this Agreement.

(c) *Verification Before Recognition.* Identity and/or KYC verification may be required before any Pass is confirmed or recognized for eligibility purposes. Vanta may withhold recognition pending satisfactory completion of such verification.

9.8. Network Trader Program Descriptions; Informational Only; No Reliance. Subject to the exception below, descriptions of the Network Trader Program, including descriptions of scaling mechanics, payout frequencies, profit splits, bonuses, drawdown rules, promotion criteria, timelines, or other post-Challenge program terms, whether appearing on Vanta's website, FAQs, marketing pages, dashboards, emails, social media, or any other channel, are provided for informational and illustrative purposes only. An executed ICA and allocation, fee, compensation and transition terms supplied under it, including surviving automatic Pro re-entry commitments, control over this Agreement and retain their acceptance and amendment protections. Subject to that exception, such descriptions:

(a) are not binding on Vanta and do not form part of this Agreement;

(b) do not create any contractual obligation, entitlement, expectation, or reliance interest;

(c) may be changed by Vanta at any time without notice to Challenge Participants; and

(d) are superseded in their entirety by the terms of the ICA, if and when executed.

No post-Challenge program terms apply to you unless and until you execute a separate ICA with Vanta. The ICA governs the post-Challenge relationship (including any simulated trading on the Network and any performance-based compensation) exclusively. You agree not to rely on any pre-ICA description of post-Challenge program terms in deciding whether to purchase or participate in the Challenge. The exception above controls.

For the avoidance of doubt, references in Offer Terms to a stated maximum program allocation, account size, or scaling level describe only the outer limit of potential eligibility under the Network Trader Program, not a guaranteed allocation, entitlement, or outcome, and remain subject in all cases to Vanta's discretion and the terms of the ICA. The exception above controls.

10. Participant Conduct and Prohibited Activities

10.1. General Conduct Standards. You agree to:

(a) Use the Service only for lawful purposes and in compliance with all Applicable Laws;

(b) Provide accurate, complete, and truthful information at all times;

(c) Maintain the security and confidentiality of your account;

(d) Comply with all Challenge Rules and policies published on the Platform;

(e) Promptly notify Vanta of any security breach, unauthorized access, or suspected violations;

(f) Cooperate with Vanta's reasonable requests for information, verification, or investigation;

(g) Use the Service in good faith and not in any manner intended to harm Vanta, other Participants, or the Network; and

(h) Comply with this Agreement and all incorporated policies.

10.2. Prohibited Activities. Neither you nor any third party acting on your behalf or with your permission may:

(a) *Automated Systems, Third-Party Copying and Manipulation:* Use automated tools (including bots/AI) to access the Platform or trade in ways that are prohibited by this Agreement (for the avoidance of doubt, bots/AI may be used in connection with Challenge Trading Activities so long as the use otherwise complies with the Agreement; Vanta has sole discretion to determine whether the use of any bot/AI violates this Agreement); engage in market manipulation (e.g., wash trading, spoofing, layering, front-running, pump-and-dump); coordinate or collude to gain unfair advantage or evade rules; or exploit bugs, glitches, vulnerabilities, timing issues, or errors in the Platform or Network. Copying, mirroring or executing third-party trades, signals or strategies that are not your own is prohibited, manually or through bots, AI or other tools, without requiring coordination with, or knowledge of, other users of the provider. Otherwise compliant bots, AI, common software and Market Data may implement your own independently determined strategy. Investigation, temporary restrictions and final enforcement are governed by Section 10.5.

(b) Account and Identity Violations: Use false identities, impersonate others, or register for someone else without written authorization; create or maintain an unauthorized Participant Profile under Section 10.3(a); conceal accounts or use identities, emails, devices or payment methods to evade rules, limits, or enforcement; share, sell, or transfer account access or credentials except for authorized Vanta support or administration; access another Participant's account without permission; provide false or fraudulent information (including KYC); or bypass geographic restrictions (e.g., via VPNs/proxies). Authorized email changes and migrations under Section 10.3(a) are permitted.

(c) *Security Violations:* Circumvent, disable, or compromise security features, access controls, or authentication; probe, scan, or test for vulnerabilities; introduce malicious code; attempt unauthorized access to the Platform, accounts, systems, or networks; or disrupt or overburden the Platform or connected networks/services.

(d) *Intellectual Property Violations:* Reverse engineering or attempt to derive source code, algorithms, or underlying ideas; copy, modify, adapt, translate, or create derivative works; scrape, crawl, or harvest Platform data; remove or obscure proprietary notices; or use Vanta trademarks or branding without written permission.

(e) *Legal and Regulatory Violations:* Violate applicable laws or third-party rights; violate sanctions or deal with prohibited jurisdictions/persons; use the Service for money laundering, terrorist financing, tax evasion, or other financial crimes; use the Service for illegal gambling, fraud, or other criminal activity; or evade legal/regulatory requirements applicable to use of the Service.

(f) *Material Nonpublic Information (MNPI) or Insider Conduct:* Use, attempt to use, or disclose any Material Nonpublic Information or other confidential information obtained from any issuer, exchange, broker, employer, client, advisor, or other source in connection with Challenge Trading Activities; engage in insider trading, "tipping," or any similar market-abuse conduct; or use the Service in a manner intended to replicate or benefit from MNPI-based trading, even if Challenge Trading Activities involve Simulated Assets.

(g) *Other Prohibited Conduct:* Use the Service in ways that harm, disable, overburden, or impair the Platform; harass, abuse, threaten, defame, or intimidate Vanta personnel or other Participants; submit illegal, harmful, offensive, or rights-infringing content; engage in conduct Vanta deems harmful to the Service, Network, Participants, business, or reputation; or assist or enable others to do any of the foregoing.

10.3. Account Limits, Multiple Attempts, and Anti-Circumvention.

(a) *One Natural Person; One Participant Profile; Multiple Authorized Accounts*. Each user/login profile ("**Participant Profile**") must identify its authorized natural-person user and current email. All your *Challenge* and permitted Program *Accounts* must link to one profile unless Vanta authorizes another administrative arrangement in writing. Unauthorized additional profiles, including dormant or unused profiles, are prohibited regardless of trading activity. Email changes, migrations and administrative corrections must use Vanta's authorized process, subject to ownership verification. Expressly approved entity Contractors and Authorized Persons under an ICA do not multiply participant limits or permit undisclosed profiles; approved access and closed historical profiles alone are not duplicates. For pre-existing profiles, Vanta will give direct notice and at least fourteen (14) calendar days after the later of notice and the rule becoming applicable to disclose/consolidate unauthorized duplicates. Continuing a duplicate after that deadline breaches this rule; earlier possession alone does not. Section 19 protects purchased attempts. Earlier fraud, concealment or circumvention remains governed by the terms then applicable.

(b) *Active Challenge Limits*. Vanta may impose limits on the number of active Challenge attempts and/or active Challenge Accounts per Participant and/or per Asset Class for security, integrity, risk-management, or operational reasons. Any such limits (if applicable) will be described in the Challenge Rules or Offer Terms. Changes affecting a purchased Challenge attempt are subject to Section 19. Program Account and allocation limits are governed separately by the ICA and Program Rules.

(c) *Multiple Attempts; Program Eligibility*. A Participant may purchase multiple Challenge attempts and may maintain multiple Challenge Accounts within applicable limits. Pass recognition and Program eligibility are governed by Section 9.7(b), the ICA and Program Rules. Identity and/or KYC verification may be required before any Pass is confirmed or recognized. Additional profiles or emails confer no additional eligibility or allocation entitlement.

(d) *Anti-Circumvention Enforcement.* Vanta may, in its discretion, merge, suspend, or terminate accounts that Vanta reasonably determines are Related Accounts being used to circumvent account limits. Vanta may use automated systems, identity checks, device fingerprinting, and other methods to detect circumvention. Vanta may consolidate or close unauthorized duplicate profiles established by its records to belong to or be controlled by the same natural person, subject to Section 10.3(a), without proving trading activity or evasive intent. Shared devices or network identifiers alone are insufficient. Program Account actions remain subject to the ICA; profile closure alone does not cancel valid accrued compensation.

10.4. Aggregation, Caps, and Behavioral Controls.

(a) *Aggregate Caps.* Vanta may impose limits on Aggregate Exposure, including limits on total simulated capital allocation, notional exposure, risk limits, and/or participation levels per Participant across accounts shown to be under that Participant's ownership or control. Limits will be stated in the Challenge Rules or Offer Terms and changed under Section 19. The ICA and Program Rules govern Program account and allocation caps, and multiple allocations are not excluded merely by sharing one account.

(b) *Strategy Correlation and Anti-Cloning.* You may not engage in Strategy Correlation across multiple accounts or sub-accounts in a manner that Vanta reasonably determines is intended to replicate, clone, mirror, or coordinate Challenge Trading Activities to increase rankings, pass evaluation thresholds, or otherwise game the Challenge. Vanta may impose correlation thresholds or behavioral controls under Section 19 across Related Accounts or accounts shown to engage in prohibited conduct. Correlation alone proves neither relatedness nor prohibited copying. Section 10.2(a) independently prohibits third-party copying without requiring intent to game the Challenge. Program distinct-strategy, copying, mirroring and cross-account hedging restrictions are governed by the ICA and Program Rules, not imposed on an initial Challenge by this Section.

(c) *Netting or Collapsing Related Accounts.* Where Vanta reasonably determines that multiple accounts are Related Accounts or have participated in prohibited aggregation, coordination or copying that games the Challenge, Vanta may (in its discretion) take one or more of the following actions: (i) require

consolidation to a single account; (ii) collapse, net, or aggregate results, rankings, and/or exposure across such accounts; (iii) apply caps, reduced limits, or additional restrictions; (iv) re-rank or re-calculate metrics to reflect aggregated participation; and/or (v) disqualify or invalidate some or all Challenge Trading Activities, metrics, rankings, and/or Pass/Fail eligibility pursuant to Section 9.5. Action requires a documented factual basis relating to affected conduct or results. Common providers or Strategy Correlation alone do not permit grouping unrelated Participants; copying violations may be enforced separately. Program actions remain subject to the ICA; valid unrelated compensation is not automatically forfeited.

(d) *Cooperation and Information.* You agree to provide accurate information reasonably requested by Vanta to determine Related Accounts, UBO, Aggregate Exposure, and compliance with this Section, including information about ownership/control and account relationships.

10.5. Monitoring and Enforcement. Vanta reserves the right, but has no obligation, to monitor Participant activity, investigate suspected violations, and take any action Vanta deems appropriate, including temporary investigative restrictions, suspending or terminating accounts, reporting to law enforcement, and pursuing legal remedies. Vanta may use automated systems to detect prohibited activities. Without limiting the foregoing, enforcement actions may include the adjustment, exclusion, re-ranking, disqualification, or invalidation of results under Section 9.5. Investigations must be reasonable; final enforcement requires an identified rule and supporting evidence. Results adjustments under Section 9.5 remain subject to Sections 10.3, 10.4 and 19.

10.6. Consequences of Violations. Violation of this Section 10 may result in:

(a) Immediate suspension or permanent termination of your account;

(b) A Fail determination for the current Challenge;

(c) Disqualification from current and future Challenges;

(d) Adjustment, exclusion, re-ranking, disqualification, or invalidation of any Challenge Trading Activities, performance metrics, rankings, and/or Pass/Fail eligibility pursuant to Section 9.5 (including in whole or in part);

(e) Revocation of any previously issued Pass;

(f) Civil liability for damages, including consequential damages;

(g) Referral to law enforcement and cooperation with criminal investigations;

(h) Injunctive relief; and

(i) Any other remedies available at law or equity.

11. **Intellectual Property**

11.1. Vanta's Intellectual Property. The Platform and all Platform Content, including all software, code, algorithms, databases, text, graphics, images, logos, trademarks, service marks, trade names, trade dress, user interfaces, designs, and other materials, are owned by Vanta or its licensors and are protected by copyright, trademark, patent, trade secret, and other Intellectual Property Rights. Vanta and its licensors reserve all rights not expressly granted in this Agreement.

11.2. Limited License to Participants. Subject to your compliance with this Agreement, Vanta grants you a limited, non-exclusive, non-transferable, non-sublicensable, revocable license to access and use the Platform solely for the purposes expressly permitted by this Agreement. This license does not include any right to: (a) modify, adapt, translate, or create derivative works; (b) reverse engineer, decompile, disassemble, or derive source code; (c) copy, reproduce, distribute, publish, or display Platform Content, except as permitted in Section 11.3 below; (d) sell, rent, lease, sublicense, or commercially exploit the Platform; (e) use the Platform on behalf of third parties; or (f) remove any proprietary notices. This license terminates automatically upon termination of this Agreement or your account.

11.3. Permitted Social Sharing. Subject to your ongoing compliance with this Agreement, Vanta grants you a limited, non-exclusive, non-transferable, revocable permission to publicly share limited excerpts of Platform Content solely to show your own performance metrics, rankings, or results displayed in your Challenge Account ("**Permitted Social Sharing**").

(a) *Scope Limits:* Permitted Social Sharing is limited to your own information and may not include: (i) any other Participant's information; (ii) any Confidential Information; (iii) any non-public product features, roadmap, or methodologies; (iv) any source code, APIs, or technical documentation; or (v) any content Vanta designates as not shareable.

(b) *Accuracy / Non-Misleading:* All Permitted Social Sharing must be truthful, accurate, and not misleading. You may not present simulated results as actual trading results or imply that simulated results predict real-world outcomes.

(c) *No Earnings Promises; No Typicality Claims:* You may not state or imply that any level of outcome is guaranteed, typical, or likely for other Participants, and you may not make "get rich," "passive income," or similar claims. You may not frame participation as an "investment," "yield," "return," or "profit share."

(d) Required Disclosures: Each post containing Permitted Social Sharing must clearly and conspicuously include at least the following: (i) "Simulated trading using simulated assets; no real trading is conducted on the platform."; (ii) "Challenge results are hypothetical and do not guarantee an invitation to the Network Trader Program or any compensation."; (iii) "This is not investment advice and not an investment."; (iv) "Vanta has not reviewed or approved this post."

(e) *Compliance With Law and Platform Policies:* You will comply with all Applicable Law and any Vanta policies or guidelines for public statements or social sharing made available on the Platform.

(f) *No Use of Vanta Marks as Endorsement:* Except as expressly permitted in writing by Vanta, you may not use Vanta's name, logos, or trademarks in a way that suggests sponsorship, partnership, endorsement, or approval.

(g) *Takedown on Demand; Revocation:* Vanta may, in its sole discretion and for any reason, require you to modify or remove any Permitted Social Sharing. You agree to comply within 24 hours (or sooner if required by law, platform rules, or to mitigate risk). Vanta may revoke this permission at any time.

(h) *Remedies:* Unauthorized sharing of Platform Content or violation of this Section is a material breach and may result in suspension/termination and other remedies, including injunctive relief.

11.4. Ownership of Challenge Data; Reservation of User IP.

(a) *User IP Reserved.* As between the parties, you retain all right, title, and interest in and to User IP, including any proprietary trading models, strategies, algorithms, signals, and code you create before or during your use of the Service, provided that such User IP (i) does not include or incorporate Vanta's Platform, Platform Content, or Confidential Information, and (ii) was not created by reverse engineering or misuse of the Platform. Nothing in this Agreement transfers ownership of User IP to Vanta, and you are not required to disclose your User IP to Vanta.

(b) *Challenge Data and Derived Data Owned by Vanta.* All Challenge Data and Derived Data are and shall be the sole and exclusive property of Vanta. You hereby irrevocably assign to Vanta all right, title, and interest in and to Challenge Data and Derived Data worldwide, including all Intellectual Property Rights therein, without additional consideration.

(c) *Limited License if You Voluntarily Submit User IP.* If you voluntarily submit any materials containing User IP to Vanta (including via User Content, support communications, or feedback), you grant Vanta a non-exclusive, worldwide, royalty-free license to use, reproduce, and modify such materials solely as necessary to operate, maintain, support, secure, and improve the Service and to enforce this Agreement. Vanta receives no ownership of such User IP.

11.5. User Content License. To the extent you submit any User Content through the Platform, you grant Vanta a perpetual, irrevocable, worldwide, royalty-free, fully paid-up, sublicensable license to use, reproduce, modify, distribute, display, perform, and create derivative works from such User Content for any purpose, including operating, improving, and marketing the Service. You represent that you have all necessary rights to grant this license and that User Content does not infringe any third-party rights.

11.6. Feedback. If you provide any feedback, suggestions, ideas, recommendations, or other input regarding the Platform or Service ("**Feedback**"), you hereby assign to Vanta all right, title, and interest in such Feedback. Vanta may use Feedback for any purpose without compensation, attribution, or obligation to you.

11.7. Trademark Restrictions. "Vanta," "Vanta Trading UI," and all related logos, designs, and trade dress are trademarks or service marks of Vanta. You may not use any Vanta trademarks without prior written permission.

11.8. Third-Party Intellectual Property. The Platform may contain third-party content or links to third-party websites. Third-party trademarks, logos, and content are the property of their respective owners. Their inclusion does not imply endorsement or affiliation.

11.9. DMCA and Infringement Claims. If you believe any Platform Content infringes your Intellectual Property Rights, please contact Vanta's designated agent at the contact information below with: (a) identification of the copyrighted work; (b) identification of the allegedly infringing material; (c) your contact information; (d) a statement of good faith belief; (e) a statement under penalty of perjury that the information is accurate and you are authorized to act on behalf of the owner; and (f) your physical or electronic signature. Vanta will respond to valid notices in accordance with Applicable Law.

11.10. Reservation of Rights. Except for the limited license expressly granted herein, nothing in this Agreement grants you any right, title, or interest in the Platform, Platform Content, or Vanta's Intellectual Property. All rights not expressly granted are reserved by Vanta.

12. **Confidentiality**

12.1. Confidentiality Obligations. You agree to maintain the strict confidentiality of all Confidential Information and to use Confidential Information solely for the purpose of using the Service as permitted by this Agreement. You shall not disclose Confidential Information to any third party without Vanta's prior written consent. You shall protect Confidential Information using at least the same degree of care you use to protect your own confidential information, but in no event less than reasonable care.

12.2. Exceptions. Confidential Information does not include information that: (a) was publicly available prior to disclosure; (b) becomes publicly available through no fault of yours; (c) was rightfully in your possession prior to disclosure without confidentiality restrictions; (d) is independently developed by you without use of Confidential Information; or (e) is rightfully obtained from a third party without confidentiality restrictions.

12.3. Required Disclosures. You may disclose Confidential Information if required by Applicable Law, regulation, or court order, provided that you: (a) give Vanta prompt written notice (if legally permitted) to allow Vanta to seek a protective order; (b) cooperate with Vanta's efforts to protect confidentiality; and (c) disclose only the minimum information legally required.

12.4. Return of Confidential Information. Upon termination of this Agreement or Vanta's request, you shall promptly return or destroy all Confidential Information and certify such return or destruction in writing upon request.

13. **Data Protection and Privacy**

13.1. Privacy Policy. Vanta collects and processes personal data in accordance with its Privacy Policy, which is incorporated herein by reference and available on the Platform. By using the Service, you acknowledge that you have read and understood the Privacy Policy.

13.2. Consent to Processing. By using the Service, you consent to the collection, processing, storage, and transfer of your personal data as described in this Agreement and the Privacy Policy, including for KYC verification, fraud prevention, compliance, service improvement, and communication purposes.

13.3. Cross-Border Transfers. Your personal data may be transferred to and processed in countries other than your country of residence, including the Cayman Islands, United States, and other jurisdictions where Vanta or its service providers operate. These countries may have data protection laws that differ from your jurisdiction. By using the Service, you consent to such transfers.

13.4. Data Security. Vanta implements reasonable administrative, technical, and physical security measures to protect personal data. However, no method of transmission or storage is completely secure, and Vanta cannot guarantee absolute security. You are responsible for maintaining the security of your account credentials.

13.5. Data Retention. Vanta retains personal data for as long as necessary to provide the Service, comply with legal obligations, resolve disputes, and enforce this Agreement. Retention periods vary based on data type and legal requirements.

14. **Risk Disclosures. PLEASE READ THESE RISK DISCLOSURES CAREFULLY. BY USING THE SERVICE, YOU ACKNOWLEDGE AND ACCEPT ALL RISKS DESCRIBED HEREIN.**

14.1. Simulated Trading Limitations. HYPOTHETICAL AND SIMULATED PERFORMANCE RESULTS HAVE INHERENT LIMITATIONS. UNLIKE ACTUAL TRADING, SIMULATED TRADING DOES NOT INVOLVE FINANCIAL RISK AND CANNOT ACCOUNT FOR ALL FACTORS THAT AFFECT REAL TRADING DECISIONS, INCLUDING THE IMPACT OF FINANCIAL RISK, LIQUIDITY CONSTRAINTS, SLIPPAGE, AND MARKET IMPACT. RESULTS FROM CHALLENGE TRADING ACTIVITIES ARE NOT INDICATIVE OF FUTURE PERFORMANCE IN ANY REAL TRADING CONTEXT. SIMULATED TRADING PROGRAMS ARE SUBJECT TO THE FACT THAT THEY ARE DESIGNED WITH THE BENEFIT OF HINDSIGHT. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN OR EXPERIENCED WITH SIMULATED ASSETS IN ANY CHALLENGE TRADING ACTIVITIES.

14.2. Digital Asset and Cryptocurrency Risks. You acknowledge the following risks related to digital assets:

(a) *Volatility:* Digital assets, including Network Emissions, are highly volatile and speculative. Values can fluctuate dramatically in short periods, potentially declining to zero.

(b) *Regulatory Uncertainty:* The regulatory status of digital assets is unclear and evolving. Regulatory changes could materially affect the Service, Network, or your ability to participate.

(c) *No Intrinsic Value:* Digital assets may have no intrinsic value and could become worthless.

(d) *Tax Uncertainty:* Tax treatment of digital assets varies by jurisdiction and is subject to change.

14.3. Blockchain and Technology Risks. You acknowledge the following technology risks:

(a) *Smart Contract Risk:* Smart contracts may contain bugs, vulnerabilities, or errors that could result in unintended consequences.

(b) *Network Risk:* The Network may experience failures, attacks, forks, congestion, or cessation of operations.

(c) *Cybersecurity Risk:* The Platform, Network, or related systems may be subject to hacking, cyberattacks, or data breaches.

(d) *Validator Risk:* Independent Validators may act maliciously, collude, make errors, or fail to perform.

(e) *Protocol Risk:* Network protocols may change, affecting emissions, rules, or economics.

(f) *Technology Obsolescence:* Underlying technology may become obsolete or be superseded.

14.4. Operational and Business Risks. You acknowledge the following operational risks:

(a) *Platform Availability:* The Platform may be unavailable, interrupted, or experience performance issues.

(b) *Third-Party Dependencies:* The Service depends on third parties (Payment Processor, cloud providers, Network) that may fail or change services.

(c) *No Guaranteed Outcomes:* You may not Pass the Challenge and you may not receive an invitation to the Network Trader Program. Subject to express ICA commitments under Section 9.8.

(d) *Business Risk:* Vanta may modify, suspend, or discontinue the Service at any time.

(e) *Payment Risk:* Payment processing for the Challenge Entry Fee may be delayed, held, or fail due to Payment Processor policies or issues.

14.5. Legal and Regulatory Risks. You acknowledge the following legal risks:

(a) *Regulatory Action:* Governmental authorities may take enforcement action affecting the Service.

(b) *Legal Changes:* Laws may change in ways that prohibit or restrict the Service.

(c) *Cross-Border Risks:* Multiple jurisdictions with different requirements are involved.

(d) *Limited Recourse:* Your recourse is limited by this Agreement and may be impossible against decentralized networks.

14.6. Assumption of Risk. BY USING THE SERVICE, YOU ACKNOWLEDGE THAT YOU UNDERSTAND AND VOLUNTARILY ASSUME ALL RISKS DESCRIBED IN THIS SECTION 14, INCLUDING RISKS NOT SPECIFICALLY IDENTIFIED. YOU AGREE THAT VANTA SHALL NOT BE LIABLE FOR ANY LOSSES ARISING FROM THESE RISKS.

14.7. Market Data, Latency, and Technical Error Risks. YOU ACKNOWLEDGE AND ACCEPT THAT CHALLENGE TRADING ACTIVITIES OCCUR IN A SIMULATED ENVIRONMENT AND MAY BE AFFECTED BY MARKET DATA LIMITATIONS AND TECHNICAL ERRORS, INCLUDING: (A) INCORRECT, DELAYED, STALE, INCOMPLETE, OR OTHERWISE INACCURATE SIMULATED PRICES; (B) OUT-OF-SEQUENCE TIMESTAMPS, FILLS, OR EVENT ORDERING; (C) LATENCY OR TIMING ADVANTAGES/DISADVANTAGES; (D) VALIDATOR DELAYS, VALIDATOR ERRORS, OR VALIDATOR DISAGREEMENTS; (E) DOWNTIME, CONGESTION, FORKS, REORGS, OR OTHER NETWORK DISRUPTIONS; (F) MISMATCHES BETWEEN SIMULATED EXECUTION AND REAL-WORLD EXECUTION (INCLUDING SLIPPAGE, LIQUIDITY, AND MARKET IMPACT ASSUMPTIONS); (G) DATA CORRUPTION, LOST MESSAGES, DUPLICATED MESSAGES, OR RECONCILIATION ERRORS; AND (H) THIRD-PARTY SOFTWARE, HOSTING, CONNECTIVITY, OR DEPENDENCY FAILURES. ANY SUCH ISSUES MAY MATERIALLY AFFECT YOUR CHALLENGE TRADING ACTIVITIES, METRICS, RANKINGS, AND YOUR PASS/FAIL OUTCOME, AND MAY RESULT IN ADJUSTMENT, EXCLUSION, OR INVALIDATION OF RESULTS.

15. **Disclaimers**

15.1. "As Is" Service. THE SERVICE IS PROVIDED "AS IS," "AS AVAILABLE," AND "WITH ALL FAULTS" WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, VANTA AND ITS AFFILIATES, LICENSORS, AND SERVICE PROVIDERS DISCLAIM ALL WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE,

NON-INFRINGEMENT, ACCURACY, RELIABILITY, AVAILABILITY, SECURITY, AND WARRANTIES ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR TRADE USAGE.

15.2. No Guarantees. VANTA DOES NOT WARRANT THAT: (A) THE SERVICE WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS; (B) THE SERVICE WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE; (C) DEFECTS WILL BE CORRECTED; (D) THE RESULTS FROM THE SERVICE WILL BE ACCURATE OR RELIABLE; (E) YOU WILL PASS THE CHALLENGE OR RECEIVE AN INVITATION TO THE NETWORK TRADER PROGRAM; OR (F) THE SERVICE WILL BE COMPATIBLE WITH YOUR EQUIPMENT OR SOFTWARE. Subject to express ICA commitments under Section 9.8.

15.3. No Defect; No Conformity; No Fitness; No Service-Level Commitments. WITHOUT LIMITING SECTIONS 15.1 OR 15.2, YOU ACKNOWLEDGE AND AGREE THAT (A) THE SERVICE MAY CONTAIN DEFECTS OR ERRORS AND MAY EXPERIENCE INTERRUPTIONS, OUTAGES, OR OTHER FAILURES; (B) VANTA DOES NOT WARRANT OR REPRESENT THAT THE SERVICE (INCLUDING ANY SIMULATED PRICES, METRICS, RANKINGS, OR OUTPUTS) WILL BE AVAILABLE, CONTINUOUS, UNINTERRUPTED, TIMELY, SECURE, ACCURATE, COMPLETE, OR FREE OF DEFECTS; AND (C) TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, VANTA DISCLAIMS ANY AND ALL WARRANTIES OR CONDITIONS OF ANY KIND, INCLUDING ANY WARRANTIES OR CONDITIONS OF QUALITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, DURABILITY, TITLE, NON-INFRINGEMENT, AND ANY IMPLIED WARRANTY OR CONDITION ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, YOU WAIVE ANY CLAIM THAT THE SERVICE IS DEFECTIVE, NON-CONFORMING, OR NOT PROVIDED WITH DUE SKILL AND CARE, OR THAT ANY SUCH ALLEGED DEFECT OR NON-CONFORMITY ENTITLES YOU TO A REFUND, PRICE REDUCTION, DAMAGES, OR ANY OTHER REMEDY, EXCEPT AS EXPRESSLY REQUIRED BY APPLICABLE LAW.

15.4. Third-Party Services. VANTA MAKES NO WARRANTIES REGARDING THIRD-PARTY SERVICES, INCLUDING THE PAYMENT PROCESSOR, CLOUD PROVIDERS, OR THE NETWORK. YOUR USE OF SUCH SERVICES IS AT YOUR OWN RISK AND SUBJECT TO THEIR TERMS.

15.5. Network Disclaimer. VANTA DOES NOT CONTROL THE NETWORK AND MAKES NO WARRANTIES REGARDING ITS OPERATION, AVAILABILITY, SECURITY, EMISSIONS, OR PERFORMANCE. VANTA IS NOT RESPONSIBLE FOR NETWORK FAILURES, PROTOCOL CHANGES, VALIDATOR ACTIONS, OR ANY OTHER NETWORK-RELATED MATTERS. WITHOUT LIMITING THE FOREGOING, VANTA MAKES NO WARRANTIES REGARDING VALIDATOR TIMING, DELAYS, OR ANY MISMATCH BETWEEN NETWORK EVENTS AND PLATFORM DISPLAYS OR METRICS.

15.6. Market Data; Simulation Mismatches; Technical Errors. WITHOUT LIMITING ANY OTHER DISCLAIMER IN THIS AGREEMENT, VANTA DOES NOT WARRANT THAT ANY MARKET DATA OR SIMULATED PRICES DISPLAYED OR USED BY THE SERVICE WILL BE ACCURATE, COMPLETE, TIMELY, IN-SEQUENCE, ERROR-FREE, OR AVAILABLE. THE SERVICE MAY EXPERIENCE TECHNICAL ERRORS, INCLUDING INCORRECT SIMULATED PRICES, OUT-OF-SEQUENCE FILLS OR TIMESTAMPS, EXECUTION OR ORDERING ANOMALIES, VALIDATOR DELAYS OR ERRORS, DATA CORRUPTION OR LOSS, SYSTEM DOWNTIME, THIRD-PARTY SOFTWARE OR CONNECTIVITY FAILURES, AND MISMATCHES BETWEEN SIMULATED TRADING AND REAL-WORLD MARKET CONDITIONS. YOU ACKNOWLEDGE AND AGREE THAT SUCH ISSUES MAY IMPACT OR DISTORT PERFORMANCE METRICS, RANKINGS, OR RESULTS, AND THAT VANTA MAY ADJUST, EXCLUDE, DISREGARD, OR INVALIDATE CHALLENGE TRADING ACTIVITIES, METRICS, RANKINGS, AND/OR PASS/FAIL DETERMINATIONS IF VANTA DETERMINES THEY WERE MATERIALLY AFFECTED BY MARKET DATA LIMITATIONS OR TECHNICAL ERRORS.

15.7. No Professional Advice. NOTHING IN THE SERVICE CONSTITUTES FINANCIAL, INVESTMENT, TAX, LEGAL, OR OTHER PROFESSIONAL ADVICE. THE SERVICE IS FOR SIMULATED TRADING AND EVALUATION PURPOSES ONLY. YOU SHOULD CONSULT QUALIFIED PROFESSIONALS FOR SUCH ADVICE.

15.8. Jurisdictional Limitations. SOME JURISDICTIONS DO NOT ALLOW DISCLAIMER OF CERTAIN WARRANTIES. IF APPLICABLE LAW DOES NOT ALLOW SOME OF THESE DISCLAIMERS, THEY MAY NOT APPLY TO YOU TO THE EXTENT PROHIBITED.

16. **Limitation of Liability**

16.1. Exclusion of Certain Damages. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL VANTA OR ANY INDEMNIFIED PARTY BE LIABLE FOR ANY: (A) INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, OR EXEMPLARY DAMAGES; (B) LOSS OF PROFITS, REVENUE, INCOME, BUSINESS, SAVINGS, OR ANTICIPATED BENEFITS; (C) LOSS OF GOODWILL OR REPUTATION; (D) LOSS OF DATA OR INFORMATION; (E) LOSS OF USE OR AVAILABILITY; (F) COST OF PROCUREMENT OF SUBSTITUTE SERVICES; (G) BUSINESS INTERRUPTION; (H) PERSONAL INJURY OR EMOTIONAL DISTRESS; (I) LOSS OR THEFT OF DIGITAL ASSETS; (J) UNAUTHORIZED ACCESS OR ALTERATION OF DATA; (K) CONDUCT OF ANY THIRD PARTY; OR (L) ANY OTHER DAMAGES WHATSOEVER; ARISING FROM OR RELATED TO THIS AGREEMENT, THE SERVICE, YOUR USE OR INABILITY TO USE THE SERVICE, OR ANY OTHER MATTER, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTE, OR OTHERWISE), AND REGARDLESS OF WHETHER VANTA WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

16.2. Aggregate Liability Cap. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, VANTA'S TOTAL CUMULATIVE LIABILITY FOR ALL CLAIMS OF ANY KIND ARISING FROM OR RELATED TO THIS AGREEMENT OR THE SERVICE, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, STATUTE, OR OTHERWISE, SHALL NOT EXCEED THE GREATER OF: (A) THE TOTAL CHALLENGE ENTRY FEES ACTUALLY PAID BY YOU TO VANTA IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE FIRST EVENT GIVING RISE TO LIABILITY; OR (B) ONE HUNDRED UNITED STATES DOLLARS (USD $100.00). THIS LIMITATION APPLIES TO ALL CLAIMS IN THE AGGREGATE, NOT PER CLAIM OR PER INCIDENT.

16.3. Exclusions for Network-Related Matters. NOTWITHSTANDING ANYTHING TO THE CONTRARY, VANTA SHALL HAVE NO LIABILITY WHATSOEVER FOR ANY LOSSES ARISING FROM OR RELATED TO: (A) THE OPERATION, PERFORMANCE, AVAILABILITY, SECURITY, OR FAILURE OF THE NETWORK; (B) ACTIONS, OMISSIONS, ERRORS, OR MISCONDUCT OF VALIDATORS OR OTHER NETWORK PARTICIPANTS; (C) CHANGES TO NETWORK PROTOCOLS, CONSENSUS MECHANISMS, EMISSION SCHEDULES, OR ECONOMICS; (D) NETWORK FORKS, REORGANIZATIONS, OR ATTACKS; (E) FLUCTUATIONS IN VALUE, AVAILABILITY, OR LIQUIDITY OF NETWORK EMISSIONS OR OTHER DIGITAL ASSETS; (F) SMART CONTRACT BUGS, VULNERABILITIES, OR EXPLOITS; (G) BLOCKCHAIN FAILURES OR CONGESTION; OR (H) ANY OTHER MATTER RELATED TO DECENTRALIZED INFRASTRUCTURE.

16.4. Exclusions for Payment Processor. VANTA SHALL HAVE NO LIABILITY FOR: (A) DELAYS, ERRORS, HOLDS, OR FAILURES IN PAYMENT PROCESSING BY THE PAYMENT PROCESSOR; (B) PAYMENT PROCESSOR FEES OR CHARGES; (C) ACCOUNT SUSPENSION OR TERMINATION BY THE PAYMENT PROCESSOR; (D) PAYMENT PROCESSOR POLICIES OR COMPLIANCE REQUIREMENTS; OR (E) ANY OTHER ACTS OR OMISSIONS OF THE PAYMENT PROCESSOR.

16.5. Exclusions for Third-Party Conduct. VANTA SHALL HAVE NO LIABILITY FOR: (A) ACTS OR OMISSIONS OF THIRD PARTIES, INCLUDING OTHER PARTICIPANTS; (B) THIRD-PARTY CONTENT OR SERVICES; (C) UNAUTHORIZED ACCESS BY THIRD PARTIES; OR (D) DISPUTES BETWEEN YOU AND THIRD PARTIES.

16.6. Basis of the Bargain. YOU ACKNOWLEDGE AND AGREE THAT THE DISCLAIMERS AND LIMITATIONS OF LIABILITY IN THIS AGREEMENT: (A) REFLECT A FAIR AND REASONABLE ALLOCATION OF RISK BETWEEN YOU AND VANTA; (B) ARE A FUNDAMENTAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN YOU AND VANTA; AND (C) WOULD NOT BE PROVIDED BY VANTA WITHOUT THESE LIMITATIONS. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

16.7. Time Limitation on Claims. ANY CLAIM OR CAUSE OF ACTION ARISING FROM OR RELATED TO THIS AGREEMENT OR THE SERVICE MUST BE FILED WITHIN ONE (1) YEAR AFTER THE CLAIM OR CAUSE OF ACTION AROSE, REGARDLESS OF WHEN YOU BECAME AWARE OF IT, OR IT SHALL BE PERMANENTLY BARRED. This contractual time bar does not apply to enforcement of an express refund obligation under Sections 5, 19 or 23, or to a right or limitation period that Applicable Law does not permit the parties to alter.

16.8. Jurisdictional Limitations. SOME JURISDICTIONS DO NOT ALLOW EXCLUSION OR LIMITATION OF CERTAIN DAMAGES OR LIABILITY. IF APPLICABLE LAW DOES NOT ALLOW SOME OF THESE LIMITATIONS, VANTA'S LIABILITY SHALL BE LIMITED TO THE MAXIMUM EXTENT PERMITTED BY LAW. NOTWITHSTANDING ANYTHING IN SECTIONS 15 OR 16, THEIR DISCLAIMERS, EXCLUSIONS AND CAPS DO NOT REDUCE OR EXTINGUISH VANTA'S EXPRESS REFUND OBLIGATIONS UNDER SECTIONS 5, 19 OR 23. MANDATORY RIGHTS AND REMEDIES REMAIN GOVERNED BY APPLICABLE LAW.

17. **Indemnification**

17.1. Indemnification Obligations. You agree to indemnify, defend, and hold harmless the Indemnified Parties from and against any and all Losses arising from or related to: your access to or use of the Service (including any data or content transmitted or received); your breach of this Agreement (including any representation, warranty, covenant, or obligation); your violation of Applicable Law, Sanctions, or third-party rights; your negligence, willful misconduct, fraud, or bad faith; any User Content you submit; any dispute between you and any third party (including other Participants); your tax obligations; any claim that your activities violate securities, commodities, banking, money transmission, or other financial regulations; any regulatory investigation, inquiry, examination, or enforcement action related to your activities; any claim arising from false, misleading, or incomplete information you provided; any claim arising from your infringement of Intellectual Property Rights; any claim arising from a data breach or unauthorized access caused by your failure to maintain account security; a fraudulent or bad-faith chargeback, payment dispute, or reversal established under Section 5.6; and any other matter for which you are responsible under this Agreement. This Section does not apply to your good-faith assertion of a contractual, statutory or payment-network right, require reimbursement of a refund expressly owed by Vanta, or shift an obligation that Applicable Law imposes on Vanta and does not permit Vanta to transfer.

17.2. Defense and Control. Vanta reserves the right, at its own expense, to assume the exclusive defense and control of any matter subject to indemnification by you. In such event, you shall cooperate fully with Vanta in asserting any available defenses and shall continue to indemnify Vanta for all Losses. You shall not settle, compromise, or consent to the entry of any judgment in any claim without Vanta's prior written consent if such settlement: (a) imposes any obligation, liability, or restriction on any Indemnified Party; (b) requires any admission by any Indemnified Party; or (c) does not include a complete release of all Indemnified Parties.

17.3. Notice. Vanta shall provide you with prompt written notice of any claim for which indemnification is sought; provided, however, that failure to provide such notice shall not relieve you of your indemnification obligations except to the extent you are materially prejudiced thereby.

17.4. Survival. Your indemnification obligations shall survive termination of this Agreement and continue for the applicable statute of limitations period.

18. **Term and Termination**

18.1. Term. This Agreement begins when you accept it and continues until terminated by either party in accordance with this Section 18.

18.2. Termination by You. You may terminate this Agreement at any time by discontinuing use of the Service and notifying Vanta at the contact information below. Termination does not entitle you to any refund of Challenge

Entry Fees or forgive any amounts you owe to Vanta. This does not limit refund or withdrawal rights under Sections 5, 19 and 23, Applicable Law or applicable payment-network rules.

18.3. Termination by Vanta. Subject to Section 19, any applicable transition process and non-waivable rights, Vanta may suspend or terminate access to the Challenge Service, in whole or in part. Immediate suspension or termination may be used where reasonably necessary to address fraud, prohibited conduct, legal requirements or an urgent security or operational risk. For an ordinary business discontinuance or other change affecting an existing purchased Challenge, Vanta will provide direct notice and the applicable exit or refund treatment under Section 19. Grounds for action include:

(a) Your breach of this Agreement;

(b) Failure to complete or pass identity verification;

(c) Suspected fraud, manipulation, illegal activity, or other misconduct;

(d) Requests or requirements of law enforcement or Governmental Authorities;

(e) Compliance with Applicable Law or Sanctions;

(f) Modification, suspension, or discontinuation of the Service;

(g) Extended periods of inactivity (see Section 18.6);

(h) Technical, security, or operational reasons; or

(i) Vanta's sole business judgment.

18.4. Effect of Termination. Upon termination for any reason:

(a) Your right to access and use the Service ceases immediately;

(b) Your license to the Platform is immediately revoked;

(c) Vanta may delete or retain your account data in accordance with Applicable Law and its data retention policies;

(d) Any pending Challenge attempt is terminated and results in a Fail;

(e) Any Pass determination not yet acted upon may be revoked for a supported rule violation or invalidity of the underlying results under Section 9.5, subject to Section 19;

(f) You must cease all use of Vanta's Intellectual Property and Confidential Information and return or destroy Confidential Information upon request;

(g) Re-entry into any Challenge requires a new Challenge Entry Fee; and

(h) Provisions that should survive termination shall survive.

18.5. Survival. The following provisions shall survive termination: Sections 1, 5.5–5.7, 6, 8, 9.3–9.8, 10.5–10.6, 11, 12, 13, 14, 15, 16, 17, 18.4–18.5, 19, 20, 21, 22, 23, and any other provisions that by their nature should survive.

18.6. Inactivity Termination. If your Challenge Account shows no trading activity, as determined by Vanta in its sole discretion, for twelve (12) consecutive months, Vanta may close your account and terminate your Challenge without further notice. Closure under this Section results in a Fail. Re-entry requires payment of a new Challenge Entry Fee. Vanta may designate stricter inactivity determinations that lead to account termination in the Challenge Rules.

19. **Modifications**

19.1. Changes to Agreement. Subject to this Section 19, Vanta may modify this Agreement at any time in its sole discretion. Vanta may publish a dated update and give Platform or email notice identifying its effective date and material changes. Materially adverse changes to purchased attempts require affirmative agreement, except as permitted by Applicable Law or Section 19.3(c). Silence is not acceptance. Without agreement, purchased terms continue unless Vanta offers the orderly exit and remedy required by Section 19.3(c). Other prospective changes may be accepted by continued use after effective notice as permitted by Applicable Law. ICA and Program Rules changes follow their own amendment procedures.

19.2. Changes to Service. Vanta reserves the right to modify, update, suspend, or discontinue the Service, in whole or in part, at any time and for any reason, subject to Section 19.3 and Applicable Law for purchased Challenges. This includes changes to Platform features and other aspects of the Service. Subject to accrued rights, purchased-term protections under Section 19.3 and Applicable Law, Vanta shall not be liable to you or any third party for any modification, suspension, or discontinuation. Necessary urgent protective action requires notice as soon as reasonably practicable.

19.3. Updates to Challenge Rules and Offer Terms; Prospective Application and Fairness Guardrails.

(a) *Right to Update Generally*. Vanta may modify, update, or replace the Challenge Rules or Offer Terms for future purchases in its sole discretion. Updates affecting an existing purchased Challenge attempt are governed by Sections 19.3(b) and (c).

(b) *Version Governing Each Challenge Attempt*. Subject to Section 19.3(c), the version of the Challenge Rules and the material commercial terms of the Offer Terms in effect at the time a Participant purchases and enters a Challenge shall govern that Participant's Challenge attempt.

(c) *Exceptions for Security, Anti-Fraud, and Technical Corrections; Existing-Attempt Changes*. Notwithstanding Section 19.3(b), Vanta may apply updated Challenge Rules or Offer Terms to an ongoing Challenge attempt where the change: (i) is necessary to address fraud, abuse, circumvention, or gaming; (ii) is required to comply with Applicable Law or regulatory requirements; (iii) is a technical correction, bug fix, or clarification that does not materially disadvantage Participants; or (iv) is otherwise non-material in nature. Any such change shall, where practicable, be accompanied by reasonable direct notice and shall not be applied in a manner that is materially unfair to Participants whose Challenge attempts are already in progress. Previously permitted conduct will not be treated as a historical breach solely because of an update. Materially adverse commercial or risk-management changes require affirmative agreement; otherwise Vanta must honor purchased terms or offer orderly exit and refund the affected Challenge Entry Fee. Credit may replace a refund only at the Participant's affirmative choice. Necessary restrictions preserve remedies required by Applicable Law or payment-network rules.

(d) *Prospective Application to New Entrants.* Updated Challenge Rules apply prospectively to new Challenge purchases and entrants.

(e) *Version Control and Evidence.* Each version of the Challenge Rules and Offer Terms shall display a version number or "Last Updated" timestamp. Vanta will maintain electronic records of the Offer Terms and Challenge Rules version applicable to each Challenge purchase, including notices and acceptance records for purchases and material amendments, and provide an existing attempt's version on request. Such records are conclusive absent manifest error. Later website posting alone does not replace applicable terms.

(f) *Conflict Rule*. In the event of a conflict between this Agreement, the Challenge Rules, the Offer Terms, or the ICA: (i) this Agreement controls Challenge legal terms, rights, obligations and amendment protections; (ii) the Offer Terms control purchase-specific commercial details (Tier, price, and Asset Class selected); (iii) the Challenge Rules control authorized performance criteria and operational mechanics; and (iv) the ICA (if executed) and its incorporated Program Rules control post-Challenge program terms exclusively in their stated order of precedence. For the avoidance of doubt, the Challenge Rules do not incorporate or

govern any post-Challenge program descriptions, economics, or terms. Later website posting does not override contractual terms or amendment procedures.

19.4. Challenge Rules Scope Limitation. The Challenge Rules govern only initial Challenge-stage performance parameters, evaluation criteria, and operational mechanics. Any descriptions of post-Challenge program terms (including payout mechanics, profit splits, scaling, bonuses, or drawdown rules applicable after the Challenge) that may appear alongside, near, or linked from the Challenge Rules are not part of the Challenge Rules and are subject to Section 9.8 and any executed ICA and incorporated Program Rules. ICA-incorporated Program Rules govern Pro assessments and compensation; the initial Challenge's no-compensation provisions do not govern Pro assessments. If published together, their respective scope and versions must be clear.

20. **Dispute Resolution. PLEASE READ THIS SECTION CAREFULLY. IT AFFECTS YOUR LEGAL RIGHTS, INCLUDING YOUR RIGHT TO FILE A LAWSUIT IN COURT AND TO HAVE A JURY TRIAL.**

20.1. Informal Resolution. Before initiating any formal dispute resolution proceeding, you agree to first contact Vanta and attempt to resolve any dispute informally. To initiate informal resolution, you must send a written notice describing the dispute and your proposed resolution to Vanta at the contact information below. The parties shall negotiate in good faith for at least sixty (60) days. If the dispute is not resolved during this period, either party may proceed with formal dispute resolution.

20.2. Binding Arbitration. **ANY DISPUTE, CLAIM, OR CONTROVERSY ARISING FROM OR RELATING TO THIS AGREEMENT, THE SERVICE, YOUR RELATIONSHIP WITH VANTA, OR THE BREACH, TERMINATION, ENFORCEMENT, INTERPRETATION, OR VALIDITY HEREOF, INCLUDING THE DETERMINATION OF THE SCOPE OR APPLICABILITY OF THIS AGREEMENT TO ARBITRATE, SHALL BE FINALLY AND EXCLUSIVELY RESOLVED BY BINDING ARBITRATION**, rather than in court, except as otherwise provided herein. The arbitration shall be administered by the International Centre for Dispute Resolution ("**ICDR**") in accordance with its International Arbitration Rules in effect at the time of arbitration. The arbitration shall be conducted by a single arbitrator selected in accordance with the ICDR Rules. The place of arbitration shall be George Town, Grand Cayman, Cayman Islands. The language of the arbitration shall be English.

20.3. Arbitration Procedures. The following procedures shall apply to the arbitration: (a) the arbitrator shall have the authority to award any relief that would be available in a court of competent jurisdiction, subject to the limitations in this Agreement; (b) the arbitrator shall issue a written decision including findings of fact and conclusions of law; (c) discovery shall be limited to documents directly relevant to the dispute; (d) the arbitration proceedings and all related documents shall be confidential; (e) the arbitrator's decision shall be final and binding, and judgment may be entered in any court of competent jurisdiction; (f) the arbitrator shall have no authority to conduct class-wide proceedings or consolidate claims.

20.4. Arbitration Costs. Each party shall bear its own attorneys' fees and costs, unless the arbitrator determines that a claim or defense was frivolous or brought in bad faith, in which case the arbitrator may award reasonable attorneys' fees to the prevailing party. The parties shall share equally the arbitrator fees and ICDR administrative fees, unless the arbitrator determines a different allocation is appropriate.

20.5. Class Action Waiver. YOU AND VANTA AGREE THAT ANY DISPUTE RESOLUTION PROCEEDINGS, WHETHER IN ARBITRATION, COURT, OR OTHERWISE, WILL BE CONDUCTED ONLY ON AN INDIVIDUAL BASIS AND NOT IN A CLASS, CONSOLIDATED, COLLECTIVE, REPRESENTATIVE, OR PRIVATE ATTORNEY GENERAL ACTION. YOU HEREBY KNOWINGLY AND VOLUNTARILY WAIVE ANY RIGHT TO PARTICIPATE IN A CLASS ACTION, CLASS-WIDE ARBITRATION, CONSOLIDATED ARBITRATION, OR ANY OTHER PROCEEDING IN WHICH ANY PARTY ACTS OR PROPOSES TO ACT IN A REPRESENTATIVE CAPACITY. THE ARBITRATOR SHALL HAVE NO AUTHORITY TO CONDUCT CLASS-WIDE PROCEEDINGS, CONSOLIDATE CLAIMS, OR AWARD RELIEF TO ANYONE OTHER THAN THE INDIVIDUAL PARTY.

20.6. Jury Trial Waiver. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, YOU AND VANTA EACH KNOWINGLY AND VOLUNTARILY WAIVE ANY CONSTITUTIONAL AND STATUTORY RIGHT TO SUE IN COURT AND TO A TRIAL BY JURY.

20.7. Severability of Arbitration Provisions. If the class action waiver in Section 20.5 is found to be unenforceable as to a particular claim or request for relief, then that claim or request shall be severed and may proceed in court, while all other claims shall proceed in arbitration. If any other provision of this Section 20 is found to be unenforceable, that provision shall be severed and the remainder shall be enforced.

20.8. Time Limitation. Any claim must be filed within one (1) year after it arose, regardless of when you became aware of it, or it is permanently barred. This limitation applies to all claims regardless of legal theory. This contractual time bar does not apply to enforcement of an express refund obligation under Sections 5, 19 or 23, or to a right or limitation period that Applicable Law does not permit the parties to alter.

20.9. Exceptions to Arbitration. Notwithstanding the foregoing: (a) either party may seek injunctive or other equitable relief in any court of competent jurisdiction to protect Intellectual Property Rights or Confidential Information; (b) Vanta may bring claims in any court of competent jurisdiction to collect amounts owed by you; and (c) either party may bring claims in small claims court if the claim qualifies.

21. **Governing Law and Jurisdiction**. This Agreement and any dispute arising from or relating to it shall be governed by and construed in accordance with the laws of the Cayman Islands, without regard to conflict of law principles. Subject to Section 20 (Dispute Resolution), any legal action or proceeding not subject to arbitration shall be brought exclusively in the courts of the Cayman Islands, and you irrevocably consent to the personal jurisdiction and venue of such courts and waive any objection based on inconvenient forum or lack of jurisdiction.

22. **Regulatory Disclosures and Compliance**

22.1. Not a Securities Offering. This Agreement and the Service do not constitute an offer or sale of securities, investment contracts, or any other regulated financial instruments in any jurisdiction. The Challenge Entry Fee is payment for access to an evaluation product. It is not a capital contribution, investment, security, deposit, or loan. No compensation, payout, or return of any kind is provided during the Challenge. Participation in the Challenge depends on your own skill, effort, and performance. You do not share in Vanta's profits or losses. No regulatory authority has reviewed, approved, or endorsed this Agreement or the Service.

22.2. Evaluation Product. To further clarify the nature of the Service:

(a) *No Investment of Money for Profit:* The Challenge Entry Fee is payment for access to an evaluation program, not an investment. You are not seeking profits or returns from the Challenge.

(b) *No Common Enterprise:* Your Challenge results depend solely on your individual performance, not on pooled resources or the performance of other Participants.

(c) *No Reliance on Efforts of Others:* Your Pass/Fail determination is based on your own trading activity and skill, not by the managerial efforts of Vanta or others.

(d) *No Compensation:* The Challenge provides no financial return of any kind. The sole potential outcome is the opportunity (but not guarantee) to be invited to a separate program under a separate agreement. Subject to express ICA commitments under Section 9.8.

22.3. Not Investment or Trading Advice. Vanta is not a registered investment adviser, broker-dealer, commodity trading advisor, futures commission merchant, commodity pool operator, or any other type of regulated financial services provider in any jurisdiction. Nothing in the Service is investment advice, trading advice, or a recommendation to buy, sell, hold, or trade any security, commodity, or digital asset. Any information provided is for educational purposes only.

22.4. Simulated Trading Only. All Challenge Trading Activities use Simulated Assets. No real securities, commodities, currencies, cryptocurrencies, or other financial instruments are bought, sold, traded, or exchanged through the Service. The Service is not connected to any real exchange, trading venue, financial market, or order matching system. Performance in Challenge Trading Activities is not indicative of potential performance in real trading.

22.5. CFTC and Commodities Disclaimer. THE SERVICE INVOLVES SIMULATED TRADING ONLY AND IS NOT SUBJECT TO THE SAME REGULATORY REQUIREMENTS AS ACTUAL TRADING IN COMMODITY INTERESTS, FUTURES, OPTIONS, OR SWAPS. HYPOTHETICAL OR SIMULATED PERFORMANCE RESULTS HAVE CERTAIN INHERENT LIMITATIONS. UNLIKE AN ACTUAL PERFORMANCE RECORD, SIMULATED RESULTS DO NOT REPRESENT ACTUAL TRADING. ALSO, SINCE THE TRADES HAVE NOT ACTUALLY BEEN EXECUTED, THE RESULTS MAY HAVE UNDER-OR-OVER COMPENSATED FOR THE IMPACT, IF ANY, OF CERTAIN MARKET FACTORS, SUCH AS LACK OF LIQUIDITY. SIMULATED TRADING PROGRAMS IN GENERAL ARE ALSO SUBJECT TO THE FACT THAT THEY ARE DESIGNED WITH THE BENEFIT OF HINDSIGHT. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN.

22.6. Payment Processing and Digital Assets. Section 5 governs fee processing and identifies the collecting entity. Challenge fees purchase evaluation services; the Challenge accepts no trading deposits and provides no participant digital-asset balance. ICA compensation, payment methods and Vanta-owned attribution addresses are described in Section 2.5(b) and governed by the ICA. These descriptions do not determine regulatory classification or displace Applicable Law.

22.7. Anti-Money Laundering. Vanta maintains an anti-money laundering (AML) compliance program, including KYC verification, transaction monitoring, and suspicious activity reporting as required by Applicable Law. You agree to cooperate with all AML compliance requirements. Vanta may refuse, suspend, or terminate service if it suspects money laundering, terrorist financing, or other illegal activity.

22.8. Tax Reporting. You are solely responsible for all tax reporting and payment obligations arising from your participation in the Challenge (including any tax consequences of the Challenge Entry Fee). Vanta does not provide tax advice; consult a qualified tax professional.

22.9. Regulatory Uncertainty and Changes. The regulatory environment for digital assets, blockchain technology, and decentralized networks is evolving and uncertain across jurisdictions. Applicable Laws may change in ways that materially affect the Service. Vanta is not liable for Losses arising from regulatory changes. Vanta may modify, suspend, or discontinue the Service to comply with Applicable Law without liability.

22.10. Your Compliance Responsibility. You are solely responsible for determining and complying with all Applicable Laws in your jurisdiction, including laws relating to taxation, anti-money laundering, foreign exchange controls, data protection, licensing, and registration requirements. Vanta makes no representation that the Service is appropriate or available for use in any particular jurisdiction. Accessing the Service from Prohibited Jurisdictions is strictly prohibited.

22.11. Export Controls and Sanctions. You agree to comply with all applicable export control laws and Sanctions. You represent that you are not located in a Prohibited Jurisdiction and will not access the Service from such jurisdiction. You will not export, re-export, or transfer the Service or any related technology to any Prohibited Jurisdiction or to any person on any Sanctions List.

23. EU/UK Consumer Withdrawal and Cancellation Rights

23.1. Scope. This Section applies only if you are a consumer located in the European Union or the United Kingdom.

23.2. 14-Day Right to Withdraw. You have a statutory right to withdraw from this Agreement within fourteen (14) days from the date you purchase a Challenge (the "**Withdrawal Period**"), without giving any reason, unless an exception applies under Section 23.5.

23.3. How to Withdraw. To exercise your right to withdraw, you must notify Vanta of your decision by an unequivocal statement (for example, by email). Send your withdrawal notice to: support@vantatrading.io (or the then-current cancellation contact shown on the Platform). Your notice should include your name, the email used for purchase, purchase date, and (if available) order/receipt ID.

23.4. Refund Timing. If you validly withdraw in accordance with this Section, Vanta will reimburse you using the same payment method you used (unless you expressly agree otherwise) without undue delay and in any event no later than fourteen (14) days after we receive your withdrawal notice.

23.5. Immediate Access; Early Performance Request; Effects on Withdrawal and Fees. The Challenge is provided digitally and may involve (x) the supply of digital content and/or (y) the provision of digital services/services that can begin during the Withdrawal Period (including Challenge registration and setup and opening/activation of your Challenge Account). If you tick the separate checkbox presented at checkout requesting immediate access, you:

(a) Expressly request Vanta to begin performance of the Challenge during the Withdrawal Period (including Challenge registration and opening/activation of your Challenge Account).

(b) Acknowledge the following statutory consequences, depending on how the Challenge is treated under applicable consumer law:

(i) Digital content: to the extent the Challenge is treated as supply of digital content not on a tangible medium, you lose your statutory right to withdraw once supply/performance begins, provided the legal conditions for that loss are met.

(ii) Services/digital services: to the extent the Challenge is treated as a service contract, you may withdraw during the Withdrawal Period, but if you withdraw after you requested early performance and performance has begun, you may be required to pay an amount proportionate to what has been provided up to the time you withdraw, and the right to withdraw is lost once the service is fully performed, to the extent permitted by law.

When performance begins. Performance begins upon actual supply under the applicable early-performance request, including authorized setup or activation. An internal label or approval alone does not satisfy statutory conditions for loss of withdrawal rights.

23.6. Model Withdrawal Form (optional). You may use the following form, but it is not required:

(a) To: Vanta (Taoshi VT Services) – support@vantatrading.io

(b) I hereby give notice that I withdraw from my contract for the purchase of the Vanta Trading Challenge.

(i) Purchased on: [date]

(ii) Name: [your name]

(iii) Email used for purchase: [email]

(iv) Order/receipt ID (if available): [ID]

(v) Date: [date]

23.7. Non-Waivable Rights. Nothing in this Section limits any rights you have that cannot be excluded or limited under applicable consumer law.

24. General Provisions

24.1. Entire Agreement. This Agreement, together with the Privacy Policy, the Challenge Rules, the Offer Terms, and any other documents incorporated by reference, constitutes the entire agreement between you and Vanta regarding the Service and supersedes all prior agreements, understandings, negotiations, representations, and communications. For the avoidance of doubt, descriptions of post-Challenge program terms (including on Vanta's website, marketing materials, or FAQs) are not incorporated into this Agreement and are governed by Section 9.8.

24.2. Severability. If any provision is held invalid or unenforceable, it shall be modified to the minimum extent necessary or severed, and the remaining provisions shall continue in full force. The invalidity of any provision in one jurisdiction shall not affect its validity in other jurisdictions.

24.3. Waiver. Vanta's failure to enforce any provision is not a waiver. Waivers must be in writing and signed by an authorized representative. A waiver on one occasion does not constitute a waiver on other occasions.

24.4. Assignment. You may not assign this Agreement without Vanta's prior written consent. Any attempted assignment in violation is void. Vanta may assign this Agreement freely, including in connection with a merger, acquisition, or sale of assets. This Agreement binds and benefits the parties and their successors and permitted assigns.

24.5. Notices. Notices to Vanta must be sent to the email address below and are effective when received. Vanta may notify you via the Platform, email to your registered address, or other reasonable means.

24.6. Force Majeure. Vanta is not liable for failures due to events beyond its reasonable control, including natural disasters, war, terrorism, pandemics, government actions, Sanctions, network failures, blockchain failures, cyberattacks, power outages, or third-party failures.

24.7. Relationship of Parties. Except as expressly set forth in Section 6, nothing in this Agreement creates a partnership, joint venture, employment, franchise, contractor, or agency relationship. Neither party may bind the other without express written authority.

24.8. Third-Party Beneficiaries. Except for Indemnified Parties under Section 17 and the Payment Processor under Section 5, there are no third-party beneficiaries. Indemnified Parties are express third-party beneficiaries of Section 17.

24.9. Electronic Acceptance. You consent to electronic execution of this Agreement. Your electronic acceptance has the same legal effect as a physical signature. You waive any requirement for an original signature.

24.10. Construction. This Agreement shall be construed without regard to any presumption against the drafter. "Include," "includes," and "including" mean "including without limitation." "Or" is not exclusive. References to "days" mean calendar days.

24.11. Headings. Section headings are for convenience only and do not affect interpretation.

24.12. Jurisdiction-Specific Provisions. To the extent any provision is prohibited or unenforceable in your jurisdiction, such provision shall not apply to you to the extent prohibited, and the remaining provisions shall remain in effect. Nothing limits any rights you have that cannot be waived under Applicable Law.
